Regulations of this registration:

By signing this registration form, each participant is accepting the regulations emerging from this registration.

Responsability:

Each participant (applicant, driver, co-driver, car owner and car holder) joins this event at their own risk. They are in charge of any damage caused and provoked by themselves and their vehicles which are subject to civil and penal law.

Waiver of liability:

By the entry of the registration form each participant (applicant, driver, co-driver, owner and holder), in case of any accident or damage which may occur in the run of the event, waives any right or recourse of legal action against the organizer, his authorised representatives, marshals or assistants, against authorities or any other persons who are connected with the organisation of the event.

This waiver of liability is also valid in case of any damages on the participating vehicle caused by applying the starting number, the participant's plate and stickers of sponsoring partners

The waiver of liability comes into effect towards each participant with the entry of the signed registration form. Moreover, each participant declares that they absolutely waive to call to a civil commercial or penal court.
